Goldfish Pets

One little goldfish lives in a bowl.
(one finger; make bowl shape)
Two little goldfish eat their food whole.
(two fingers; pretend to eat)
Three little goldfish swim all around.
(three; swim hands)
Although they move, they don't make a sound.
(finger to lips---shhh!)
Four little goldfish have swishy tails.
(four; wiggle tail)
Five little goldfish have pretty scales.
(five; stroke arms)

If You Like the Color Red

(Sung to tune of "If You're Happy and You know It")

If you like the color red, the color red
If you like the color red, the color red
If you like the color red,
Put your finger on your head,
If you like the color red, the color red
If you like the color blue, the color blue
If you like the color blue, the color blue
Reach down and hold your shoe,
If you like the color blue, the color blue

Additional verses:

If you like the color green,
wave your hand so you are seen
If you like the color pink,
make your eyes go blink, blink, blink
If you like the color yellow,
smile like a happy fellow
If you like the color black,
put your hands behind your back

Red Apples

Way up high in the apple tree
Two red apples smiled at me.
I shook that tree as hard as I could...
Down came the apples!
Mmmmm...were they good!

Five Red Apples

Five red apples in a grocery store;
Bobby bought one, and then there were 4.
Four red apples on an apple tree;
Susie ate one, and then there were 3.
Three red apples. What did Alice do?
Why, she ate one, and then there were 2.
Two red apples ripening in the sun;
Timmy ate one, and then there was 1.
One red apple and now we are done;
I ate the last one, and now there are none!
