EARLY LITERACY

Song Benefits

Sharing well-known children's songs has numerous benefits for a child's development. For example, the song "Head, Shoulders, Knees, and Toes" not only teaches about different body parts, but also helps to improve motor skills. Model the movements for your child to nurture your bond and to help them learn.

Sharing Books

Reading to children of all ages teaches them that language is fun! Sharing books is a great way to explore rhythm, rhyme, and humor with your child. Ask a Youth Services staff member for their children's book recommendations!

Diversity

Juneteenth is a celebration of liberation, joy, and storytelling. For children of all racial identities, the day can be a time for learning about slavery in the United States and sharing stories of Black resilience and resistance. When Juneteenth is honored together, young children have a chance to learn about and celebrate diverse identities and cultures. Explore Juneteenth books & resources at ghpl.org and antiracism & social justice resources at ghpl.org/antiracism.
