Welcome! Thousands of public libraries offer ebooks and audiobooks (for free!) in Libby. Let me ask you a few questions, to guide you to your library.

First question: do you have a library card?

1. Yes  
   2. Not Yet

There are several ways I can help you find your library. How would you like to continue?

If you already use Libby, choose this. It will keep all your data in sync.

Copy From Another Device

You can look up your nearest library by name or city or zip code.

Search For A Library

Find the nearest library using your (probable) approximate location.

Guess My Library

You can search for your library by name or branch location.

Tip - There are advantages to reading within the Libby app (so you may want to choose “skip”).

If you have a card from the Delaware County District Library, Pataskala Public Library, or another library outside of the Digital Downloads Collaboration, you can add their library card to access different digital library collections. From the menu (three horizontal lines), select “Add Library” then follow steps 3 to 12.
Search & Borrow or Hold

What you need: WiFi, data, or wired Internet connection

Tip - If you do not have a particular author, title, or topic in mind, you can browse lists (scroll to see more) or see what is new, popular, available now, etc.

Tip - Search for author, title, series or topic.
