Early Literacy Tips

America 250 Ohio

Visit america250-ohio.org to discover the many events and activities celebrating this milestone birthday! Some of the featured events and sights include art displays, concerts, movies, and even murals across Ohio. Take a road trip or a virtual visit and talk with your child about our state's history and art.

Diversity

Juneteenth is a federal holiday observed annually on June 19. A great way to learn and celebrate the history of the day is to share books about the holiday with your family. For young readers, try *Juneteenth for Mazie* by Floyd Cooper, *Juneteenth* by Van G. Garrett, or *Freedom Celebration: A Juneteenth Party* by Angela Dalton. Library staff can also help you find a good book! You can also talk about traditions and enjoy a meal together featuring red foods.

Read and Repeat

Toddlers often have short attention spans, so choose books with simple, brief text. Try reading in shorter sessions throughout the day instead of one long stretch. If a book doesn't engage your child, switch to a different one!

Have you recently attended a library event? Share your experience with us at ghpl.org/feedback.

The library is wheelchair-accessible. Ramps and elevators provide access to the entire building. Walkers available. Library events may be photographed/filmed for promotion in library publications, website, or e-newsletters. Attendance automatically confers consent for your likeness to be used. Please notify staff if you decline being photographed for yourself or your child.
